

**National Institute of Education  
Maharagama  
Research Grants**

With the aim of proposing solutions for current problems related to the field of education through research studies, the Department of Research and Development of the National Institute of Education has planned to provide research grants for the year 2019.

**Proposed areas of research**

- 1. Studies on the spread of non communicable diseases among school children**
- 2. Studies on the implementation of vocational curriculum in developed countries**
- 3. Studies on managing the problems related to adolescence**
- 4. Studies on the implementation of the curriculum in National Colleges of Education**
- 5. Studies on discrepancies in distribution of resources in schools**
- 6. Studies on problems faced by the trainees of National Colleges of Education**
- 7. Studies on the implementation of integrated STEM education in different countries**

Researchers / Research Institutions / Research Organizations having a track record of over 10 years in the field of education are invited to undertake research studies under the above themes. Application form and further details can be obtained from the institutional website, [www.nie.lk](http://www.nie.lk)

Please note that the deadline for applications is 30/12/2018. The applications received after this date will not be considered for research grants.

Dr. T.A.R.J. Gunasekara  
Director General  
National Institute of Education
